10. He's a Plump little fellow
11. How do you like my fluffy down feathers?
12. When will I learn to swim? My foot doesn't work like all the other penguins.
13. Let's call the veterinarian and see what they think
14. The veterinarian looked at my foot and said it didn't develop correctly. So he wrapped it in a bandage.
15. How will I walk and swim with a bandage on my foot?
16. I'll call the Teva Shoe Company to see if they can make you a boot to help you walk.
17. This boot is made for walking and that's what I'll do!!!!
18. Lucky, let's try out your new boot.
19. It feels funny but it works great.
20. I love my new boot
21. I can swim too. Thank you Teva for making me a boot.
22. I'm one lucky penguin!!
